a. Purpose And Subject of The Competition

The word Vlog is an abbreviation of the words “Video blog” that means shooting informative videos and publishing them on the blog. We are in a great rush today. We no longer want long texts to appear on our screens. Instead, we want to see everything in one go, and sometimes in one action with short videos. For this reason, we organize a "VLOG Competition" in our school to create informative, educational and creative videos that reflect the definition above. The competition provides the participants an opportunity to choose any topics providing that there will be no videos that violate the regulations of the Secondary Education Institutions. We are looking forward to see your Vlogs in any field and subject you want.

b. Requirements

1. All students in our school shall participate in the competition.
2. The videos that will participate in the competition are technically free.
3. A contestant shall participate in the competition with only 1 work.
4. Designs must be personal and original. (If quoted works are detected, they will not be evaluated.)
5. Videos must be shot horizontally and in high definition.

c. Delivery Date of Videos

Starting Date : 20.11.2023

Last Delivery Date : 12.12.2023

d. Works Collection Center

Participants can send their videos to yiafenlisesi@gmail.com or hand them in Deputy Principal Ali NALBAT.
